JFCU is proud to introduce Will McSweeney as our Interim CEO

Will has been part of the Journey team for the past six years, serving as Chief Operating Officer and previously as Vice President of Member Experience. Throughout his time with Journey, Will has built strong relationships with staff, members, and community partners and has shown his genuine care for people.

"I am honored to serve as Interim CEO and grateful for the trust that our board, staff, and members place in Journey. My focus will be on listening, connecting, and ensuring that our credit union remains a place where every member feels valued and supported.

Outside of work, I enjoy spending time with my wife and our two kids. We have family in the area and relocated to St Johns a few years ago to be closer to them and to Journey. Since moving here, we have really enjoyed being part of this community and have been so grateful for how welcoming everyone has been.

I want to hear from you, shake your hand, and learn what matters most to you. To make that easier, I will be spending time in our branch lobbies throughout November and would love for you to stop by and say hello."

As we continue on our Journey Forward together, we are always looking for additional ways to engage our community. From awarding student scholarships, to scooping ice cream at the Mint Festival, to Paying it Forward at the Alma Highland Games, we aim to prioritize and participate in the community events and programs that matter most to you. Please let Will know if there is an important community project or just a really fun one that deserves our time and attention.
